

PINOT GRIGIO RAMATO

Fascinating with its natural blush color, intriguing with its powerful bouquet, delightfully crisp and refreshing: the original Pinot Grigio.

SUN GODDESS WINES are produced with love and passion from sun-kissed vineyards owned by Fantinel family in Friuli Venezia Giulia, where the peculiar microclimate and the precious terroir guarantee premium quality wines.

Mary J. Blige

The name SUN GODDESS evokes powerful childhood memories that I carry with me today. I've always loved the sun, and as a child I always tried to capture the sun's warmth and energy. It was magical to me, and it's with that spirit, that my sister began calling me "Sun Goddess".

"Sun Goddess" immediately struck me as the perfect name as it connects my real life, conveys the connection between nature, and the personality of wines I enjoy the most, combined with my style and that of Fantinel.

The bouquet is intense and complex, with hints of fruits (peach, melon and berries). On the palate it is round, with a pleasant acidity, soft tannins and a finish rich in mineral sensations. With origins in Italy's northeastern province of Friuli Venezia Giulia, Ramato (Italian for "auburn" or "copper") wines are produced by macerating Pinot Grigio grape must with its skins. The skins' pink hue gives the wines color from a semi-pale pink to dark orange, depending on maceration time.
